

Already Gone – Kelly Clarkson

Remember all the things we wanted
Now all our memories, they're haunted
We were always meant to say goodbye
Even with our fists held high it
Never would've worked out right
We were never meant for do or die

I didn't want us to burn out
I didn't come here to hold you
Now I can't stop

I want you to know that it doesn't matter
Where we take this road
Someone's gotta go
I want you to know you couldn't have loved me better
But I want you to move on
So I'm already gone

Looking at you makes it harder
But I know that you'll find another
That doesn't always make you want to cry
Started with a perfect kiss then
We could feel the poison set in
Perfect couldn't keep this love alive
You know that I love you so I
Love you enough to let you go

I want you to know that it doesn't matter
Where we take this road
Someone's gotta go
I want you to know you couldn't have loved me better
But I want you to move on
So I'm already gone
I'm already gone
Already gone
You can't make it feel right

When you know that it's wrong
I'm already gone
Already gone
There's no moving on
So I'm already gone

Remember all the things we wanted
Now all our memories, they're haunted
We were always meant to say goodbye

I want you to know that it doesn't matter
Where we take this road
Someone's gotta go
I want you to know you couldn't have loved me better
But I want you to move on
So I'm already gone
