I will not make

The same mistakes that you did

I will not let myself

Cause my heart so much misery

I will not break

The way you did you fell so hard

I've learned the hard way

To never let it get that far

Because of you

I never stay too far from the sidewalk

Because of you

I learned to play on the safe side

So I don't get hurt

Because of you

I find it hard to trust not only me

But everyone around me

Because of you

I am afraid

I lose my way

And it's not too long before you

Point it out

I cannot cry

Because I know that's weakness

in your eyes

I'm forced to fake

A smile, a laugh everyday of my life

My heart can't possibly break

When it wasn't even whole to start with

Because of you

I never stay too far from the sidewalk

Because of you

I learned to play on the safe side

So I don't get hurt

Because of you

I find it hard to trust not only me But everyone around me Because of you I am afraid I watched you die I heard you cry every night in your sleep I was so young you should have known better than to lean on me You never thought of anyone else You just saw your pain And now I cry in the middle of the night For the same damn thing Because of you I never stay too far from the sidewalk Because of you I learned to play on the safe side So I don't get hurt Because of you I try my hardest just to forget everything Because of you I don't know how to let anyone else in Because of you I'm ashamed of my life Because it's empty Because of you I am afraid Because of you Aaaaa Because of you
