

Because of you – Kelly Clarkson

I will not make the same mistakes that you did
I will not let myself cause my heart so much misery
I will not break the way you did, you fell so hard
I've learned the hard way to never let it get that far

Because of you
I never stray too far from the sidewalk
Because of you
I learned to play on the safe side so I don't get hurt

Because of you
I find it hard to trust not only me, but everyone around me
Because of you
I am afraid

I lose my way and it's not too long before you point it out
I cannot cry because I know that's weakness in your eyes
I'm forced to fake a smile, a laugh, every day of my life
My heart can't possibly break when it wasn't even whole to start with

Because of you
I never stray too far from the sidewalk
Because of you
I learned to play on the safe side so I don't get hurt

Because of you
I find it hard to trust not only me, but everyone around me
Because of you
I am afraid

I watched you die, I heard you cry
Every night in your sleep
I was so young, you should have known
Better than to lean on me

You never thought of anyone else

You just saw your pain
And now I cry in the middle of the night
For the same damn thing

Because of you
I never stray too far from the sidewalk
Because of you
I learned to play on the safe side so I don't get hurt

Because of you
I tried my hardest just to forget everything
Because of you
I don't know how to let anyone else in

Because of you
I'm ashamed of my life because it's empty
Because of you
I am afraid
Because of you
