

# Cinnamon Girl – Lana Del Rey

Cinnamon in my teeth  
From your kiss, you're touching me  
All the pills that you did  
Violet, blue, green, red  
To keep me at arm's length Don't work  
You try to push me out,  
But I just find my way back in  
Violet, blue, green, red  
To keep me out, I win  
There's things I wanna say to you,  
But I'll just let you live  
Like if you hold me without hurting me  
You'll be the first who ever did  
There's things I wanna talk about,  
But better not to give  
But if you hold me without hurting me  
You'll be the first who ever did  
Ah, ah, ah, ah, ah, ah  
Ah, ah, ah, ah, ah, ah  
Hold me, love me, touch me, honey  
Be the first who ever did  
Ah, ah, ah, ah, ah, ah  
Ah, ah, ah, ah, ah, ah  
Hold me, love me, touch me, honey  
Be the first who ever did  
Kerosene in my hands  
You make me mad, I'm fire again  
All the pills that you dig  
Violet, blue, green, red  
To keep me at arm's length don't work  
There's things I wanna say to you,  
But I'll just let you live  
Like if you hold me without hurting me  
You'll be the first who ever did  
There's things I wanna talk about,  
But better not to give

But if you hold me without hurting me  
You'll be the first who ever did  
Ah, ah, ah, ah, ah, ah  
Ah, ah, ah, ah, ah, ah  
Hold me, love me, touch me, honey  
Be the first who ever did  
Ah, ah, ah, ah, ah, ah  
Ah, ah, ah, ah, ah, ah  
Hold me, love me, touch me, honey  
Be the first who ever did  
There's things I wanna say to you,  
But I'll just let you live  
Like if you hold me without hurting me  
You'll be the first who ever did  
There's things I wanna talk about  
But better not to give  
Like if you hold me without hurting me  
You'll be the first who ever did
