

# Honeymoon – Lana Del Rey

We both know that it's not fashionable to  
Love me,  
but you don't go cause truly there's  
Nobody for you but me  
We could cruise to the blues -Wilshire Boule-  
Vard  
if we choose Or whatever you want to do,  
We make the rules

Our honeymoon  
Our honeymoon  
Our honeymoon  
Say you want me too  
Say you want me too  
Dark blue  
Dark blue

We both know the history of violence that  
Surrounds you  
But I'm not scared, there's nothing to lose now  
That I've found you  
We could cruise to the news -  
Pico blvd in your used little bullet car if  
We choose,  
Mr Born to lose

Our honeymoon  
Our honeymoon  
Our honeymoon  
Say you want me too  
Say you want me too  
Dark blue  
Dark blue

There are violets in your eyes  
There are guns that blase around you

There are roses in between my thighs and fire  
That surrounds you  
It's no wonder every man in town had neither  
Fought nor found you – everything you do is  
Elusive to even your honey dew

Our honeymoon  
Our honeymoon  
Our honeymoon  
Dreaming away your life  
Dreaming away your life  
Dreaming away your life
