

The Future – Leonard Cohen

Give me back my broken night
My mirrored room, my secret life
It's lonely here,
There's no one left to torture
Give me absolute control
Over every living soul
And lie beside me, baby,
That's an order!

Give me crack and anal sex
Take the only tree that's left
And stuff it up the hole
In your culture
Give me back the Berlin wall
Give me Stalin and St Paul
I've seen the future, brother:
It is murder

Things are going to slide, slide in all directions
Won't be nothing
Nothing you can measure anymore
The blizzard, the blizzard of the world
Has crossed the threshold
And it overturned
The order of the soul
When they said REPENT REPENT
I wonder what they mean
When they said REPENT REPENT
I wonder what they mean
When they said REPENT REPENT
I wonder what they mean

You don't know me from the wind
You never will, you never did
I'm the little jew
Who wrote the Bible

I've seen the nations rise and fall
I've heard their stories, heard them all
But love's the only engine of survival

Things are going to slide, slide in all directions
Won't be nothing
Nothing you can measure anymore
The blizzard, the blizzard of the world
Has crossed the threshold
And it overturned
The order of the soul
When they said REPENT REPENT
I wonder what they mean
When they said REPENT REPENT
I wonder what they mean
When they said REPENT REPENT
I wonder what they mean
When they said REPENT REPENT
