## Suspicion - LP

Cut right to the chase and Choose your words to make it clear to me You seem so heaven sent but Somehow I still invent the fear in me A lie is just a lie A cry is still a cry The past becomes the crime in my mind Suspicion, suspicion How you've changed my heart Suspicion, suspicion Unchain my heart Crippled cruel emotion Enough to make an ocean turn to green The silliest of notions Why Romeo took potion basically To be or not to be To cheat or not to cheat Believe or not believe that you're mine Suspicion, suspicion How you've changed my heart Anywhere you go all roads still lead to It's harder than you know to be led back to Suspicion, suspicion Unchain my heart Suspicion, suspicion
