

HONEY (ARE U COMING?) – Måneskin

Meet me there where it never closes
Meet me there where it's never hopeless
All is fair in love
Oh-oh-oh
Honey, are you coming?!

I know a place downtown, babe, if you wanna go
I'm gonna show you how this Italian amor
Is gonna love you harder than ever before
You will like it

We're gonna get sky-high and create a new world
Where somebody might die, but nobody gets hurt
And if it sounds good for you
Baby, just say the word
You will like it

It's five am
We feel so good, it's almost frightening
It's five am
I'm made for you, we can't deny it

Meet me there where it never closes
Meet me there where it's never hopeless
All is fair in love
Oh-oh-oh
Honey, are you coming?!
Meet me there where it never closes
Meet me there, I'll give you your roses
All is fair in love
Oh-oh-oh
Honey, are you coming?!

Before I found this place I was feeling so blue
But then it turned me out, let it do it to you
It's not a one-night stand if it turns into two

Oh, I like it

It's five am

We feel so good, it's almost frightening

Let's try again

I don't deserve you, you're a diamond

Meet me there where it never closes

Meet me there where it's never hopeless

All is fair in love

Oh-oh-oh

Honey, are you coming?!

Meet me there where it never closes

Meet me there, I'll give you your roses

All is fair in love

Oh-oh-oh

Honey, are you coming?!

Honey, are you coming?!
