## **Hardwired - Metallica(MadMatt)**

In the name of desperation

In the name of wretched pain

In the name of all creation

Gone insane

We're so fucked

Shit outta luck

Hardwired to self-destruct

Go!

On the way to paranoia

On the crooked borderline

On the way to great destroyer

Doom design

We're so fucked

Shit outta luck

Hardwired to self-destruct

Oh!

Once upon a planet burning

Once upon a flame

Once upon a fear returning

All in vain

Do you feel that hope is fading?

Do you comprehend?

Do you feel it terminating

In the end?

We're so fucked

Shit outta luck

Hardwired to self-destruct

Hardwired to self-destruct

Self-destruct

Self-destruct

Self-destruct
