

# Now That We Are Dead – Metallica

When darkness falls, may it be  
That we should see the light  
When reaper calls, may it be  
That we walk straight and right  
When doubt returns, may it be  
That faith shall permeate our scars  
When we're seduced, then may it be  
That we not deviate our cause  
All sinners, a future  
All saints, a past  
Beginning, the ending  
Return to ash  
Now that we're dead, my dear  
We can be together  
Now that we're dead, my dear  
We can live, we can live forever  
When all is pain, may it be  
It's all we've ever known  
When flame consumes, may it be  
It warms our dying bones  
When loss has won, may it be  
It's you I'm madly fighting for  
When kingdom comes, may it be  
We walk right through that open door  
All sinners, a future  
All saints, a past  
Beginning, the ending  
Return to ash  
Now that we're dead, my dear  
We can be together  
Now that we're dead, my dear  
We can live, we can live forever  
All sinners, a future  
All saints, a past  
Beginning, the ending  
Return to ash

Now that we're dead, my dear  
We can be together  
Now that we're dead, my dear  
We can live, we can live forever  
Return to ashes, shed this skin  
Beyond the black, we rise again  
We shall live forever
