Unforgiven II – Metallica

Lay beside me and tell me what they've done
And speak the words I wanna hear
To make my demons run
The door is locked now
But it's open if you're true
If you can understand the me
Then I can understand the you
Lay beside me, under wicked sky
Through black of day, dark of night,
We share this, paralyzed
The door cracks open
But there's no sun shining through
Black heart scarring darker still
But there's no sun shining through
No there's no sun shining through,
No there's no sun shining
What I've felt, what I've known
Turn the pages, turn the stone
Behind the door, should I open it for you?
Yeah, what I've felt, what I've known
Sick and tired, I stand alone
Could you be there
'Cause I'm the one who waits for you
Or are you unforgiven too?
Come lay beside me, this won't hurt I swear
She loves me not, she loves me still
But she'll never love again
She lay beside me
But she'll be there when I'm gone
Black hearts scarring darker still,
Yes she'll be there when I'm gone
Yes she'll be there when I'm gone,
Dead sure she'll be there?
What I've felt, what I've known
Turn the pages, turn the stone
Behind the door, should I open it for you?

Yeah, what I've felt, what I've known
Sick and tired, I stand alone
Could you be there
'Cause I'm the one who waits for you
Or are you unforgiven too?
Lay beside me, tell me what I've done
The door is closed so are your eyes
But now I see the sun, now I see the sun
Yes now I see it
What I've felt, what I've known
Turn the pages, turn the stone
Behind the door, should I open it for you
Yeah, what I've felt, what I've known
So sick and tired, I stand alone
Could you be there
'Cause I'm the one who waits
The one who waits for you
Oh, what I've felt, what I've known
Turn the pages, turn the stone
Behind the door, should I open it for you?
(so I dub thee unforgiven)
Oh, what I've felt
Oh, what I've known
I'll take this key and I'll bury it in you
Because you're unforgiven too
Never free, never me
'Cause you're unforgiven too, oh oh
