

Slee – Nightwish

TY: The sun is sleeping quietly
Once upon a century
Wistful oceans calm and red
Ardent caresses laid to rest

JA: For my dreams I hold my life
For wishes I behold my night
The truth at the end of time
Losing faith makes a crime

TY: I wish for this night-time
To last for a lifetime

JA: The darkness around me
Shores of a solar sea

TY: Oh how I wish to go down with the sun
Sleeping
Weeping
With you

JA: Sorrow has a human heart
From my god it will depart
I'd sail before a thousand moons
Never finding where to go

TY: Two hundred twenty-two days of light
Will be desired by a night
A moment for the poet's play
Until there's nothing left to say

JA: I wish for this night-time
To last for a lifetime

TY: The darkness around me
Shores of a solar sea

JA: Oh how I wish to go down with the sun
Sleeping
Weeping
With you

TY: I wish for this night-time
To last for a lifetime

JA: The darkness around me
Shores of a solar sea

TY: Oh how I wish to go down with the sun
Sleeping
Weeping
With you
