Wish I Had An Angel - Nightwish

Wish I had an angel

For one moment of love

I wish I had your angel tonight

Deep into a dying day

I took a step outside an innocent heart

Prepare to hate me fall when I may

This night will hurt you like never before

Old loves they die hard

Old lies they die harder

I wish I had an angel

For one moment of love

I wish I had your angel

Your Virgin Mary undone

I'm in love with my lust

Burning angel wings to dust

I wish I had your angel tonight

I'm going down so frail 'n cruel

Drunken disguise changes all the rules

Old loves they die hard

Old lies they die harder

I wish I had an angel

For one moment of love

I wish I had your angel

Your Virgin Mary undone

I'm in love with my lust

Burning angel wings to dust

I wish I had your angel tonight

Greatest thrill Not to kill

But to have the prize of the night Hypocrite

Wannabe friend 13th disciple

Who betrayed me for nothing!

Last dance, first kiss Your touch my bliss

Beauty always comes with dark thoughts

I wish I had an angel

For one moment of love

I wish I had your angel

Your Virgin Mary undone
I'm in love with my lust
Burning angel wings to dust
I wish I had your angel tonight
I wish I had an angel (x4)
