Oh me - Nirvana

If I had to lose a mile If I had to touch feelings I would lose my soul The way I do I don't have to think I only have to do it The results are always perfect And that's old news Would you like to hear my voice Sprinkled with emotion Invented at your birth? I can't see the end of me My whole expanse I cannot see I formulate infinity Stored deep inside me If I had to lose a mile If I had to touch feelings I would lose my soul The way I do I don't have to think I only have to do it The results are always perfect And that's old news Would you like to hear my voice Sprinkled with emotion Invented at your birth? I can't see the end of me My whole expanse I cannot see I formulate infinity Stored deep inside me
