

# You Know You're Right – Nirvana

I will never bother you  
I will never promise to  
I will never follow you  
I will never bother you  
Never speak a word again  
I will crawl away for good  
I will move away from here  
You won't be afraid of fear  
No thought was put into this  
I always knew it would come to this  
Things have never been so swell  
I have never failed to fail  
Pain  
Pain  
Pain  
You know you're right  
You know you're right  
You know you're right  
I'm so warm and calm inside  
I no longer have to hide  
Let's talk about someone else  
The steaming soup begins to melt  
Nothing really bothers her  
She just wants to love herself  
I will move away from here  
You won't be afraid of fear  
No thought was put into this  
I always knew to come like this  
Things have never been so swell  
I have never failed to fail  
Pain  
Pain  
Pain  
Pain  
Pain  
You know you're right

You know you're right  
You know you're right  
You know you're right  
You know you're right  
You know you're right  
You know you're right  
You know you're right  
You know you're right  
You know you're right  
You know you're right  
You know you're right  
You know your rights  
You know you're right  
You know your rights  
You know your rights  
You know your rights  
Pain
