

You & I – One Direction

I figured it out
I figured it out from black and white
Seconds and hours
Maybe they had to take some time

I know how it goes
I know how it goes from wrong and right
Silence and sound
Did they ever hold each other tight
Like us
Did they ever fight
Like us

You and I
We don't wanna be like them
We can make it till the end
Nothing can come between
You and I
Not even the Gods above
Can separate the two of us
No, nothing can come between
You and I
Oh, you and I

I figured it out
Saw the mistakes of up and down
Meet in the middle
There's always room for common ground

I see what it's like
I see what it's like for day and night
Never together
Cause they see things in a different light
Like us
They never tried
Like us

You and I
We don't wanna be like them
We can make it till the end
Nothing can come between
You and I
Not even the Gods above
Can separate the two of us

'Cause You and I
We don't wanna be like them
We can make it till the end
Nothing can come between
You and I
Not even the Gods above
Can separate the two of us
No, nothing can come between
You and I
Oh, you and I
Ooooh, tou and I
We could make it if we try
Oh, you and I
You and I
