## Tonight My Love Tonight - Paul Anka

La-la-la-la-la La-la-la-la-la

Let me hold you in my arms
Let me thrill to all your charms
Hold me, hold me, hold me tight
Tonight, tonight my love, tonight

Love me, love me, love me so And never, never let me go Hold me, hold me right Tonight, tonight my love, tonight

Forever, I will love you forever The mandolins are playin' The moon above is sayin' It's love, it's love, I know,I know it's love

Kiss me, kiss me warm Make me feel like I've been born Hold me, hold me, hold me right Tonight, tonight my love, tonight

Forever, I will love you forever, yes I will The mandolins are playin' The moon above is sayin' It's love, it's love, I know,I know it's love

Kiss me, kiss me warm Make me feel like I've been born Hold me, hold me, hold me right Tonight, tonight my love, tonight
