## **People Help The People - Birdy**

God knows what is hiding in those weak and drunken hearts
I guess you kissed the girls and made them cry
Those Hardfaced Queens of misadventure
God knows what is hiding in those weak and sunken eyes
A Fiery throng of muted angels
Giving love but getting nothing back oh

People help the people
And if you're homesick, give me your hand and I'll hold it
People help the people
And nothing will drag you down
Oh and if I had a brain, Oh and if I had a brain
I'd be cold as a stone and rich as the fool
That turned all those good hearts away

God knows what is hiding in this world of little consequence Behind the tears, inside the lies A thousand slowly dying sunsets God knows what is hiding in those weak and drunken hearts I guess the loneliness came knocking No one needs to be alone, oh save me

People help the people
And if you're homesick, give me your hand and I'll hold it
People help the people
Nothing will drag you down
Oh and if I had a brain, Oh and if I had a brain
I'd be cold as a stone and rich as the fool
That turned, all those good hearts away

Na na na na na Uuuuuu Na na na na na Uuuuuu

People help the people

And if you're homesick, give me your hand and I'll hold it People help the people Nothing will drag you down Oh and if I had a brain, Oh and if I had a brain I'd be cold as a stone and rich as the fool That turned all those good hearts away
