## It's A Hard Life - Queen

I don't want my freedom There's no reason for living With a broken heart This is a tricky situation I've only got myself to blame It's just a simple fact of life It can happen to any one You win - you lose It's a chance you have to take with love Oh yeah - I fell in love But now you say it's over and I'm falling apart Yeah yeah It's a hard life To be true lovers together To love and live forever In each others hearts It's a long hard fight To learn to care for each other To trust in one another right from the start When you're in love I try and mend the broken pieces Ooh, I try to fight back the tears Ooh, they say it's just a state of mind But it happens to everyone How it hurts (yeah) - deep inside (oh yeah) When your love has cut you down to size This life is tough - on your own Now I'm waiting for something to fall From the skies I'm waiting for love Yes it's a hard life Two lovers together To love and live forever In each others hearts

It's a long hard fight

To learn to care for each other
To trust in one another right from the start
When you're in love
Yes it's a hard life
In a world that's filled with sorrow
There are people searching for love
In every way
It's a long hard fight
But I'll always live for tomorrow
I'll look back at myself and say
I did it for love (ooh)
Yes I did it for love - for love Oh I did it for love
