

Escapism – Rebecca Sugar

I guess I have to face
That in this awful place
I shouldn't show a trace of doubt
But pulled against the grain
I feel a little pain
That I would rather do without
I'd rather be
Free-ee-ee
Free-ee-ee
Free
I'd rather be
Free-ee-ee
Free-ee-ee
Free
Free-ee-ee
Free-ee-ee
Free
