## I Will Never Let You Down – Rita Ora

Tell me baby what we gonna do I'll make it easy, got a lot to lose Watch the sunlight coming through Open the window, let it shine on you

Cuz I've been sick and working all week And I've been doing just fine You've been tired of watching me Forgot to have a good time boy You can't take it, all these faces Never keeping it real I know exactly how you feel

When you say you've had enough And you might just give it up Oh Ooh, I Will Never Let You Down When you're feeling low on love I'll be what you're dreaming of Oh Ooh, I Will Never Let You Down Oh Ooh, I Will Never Let You Down Oh Ooh, I Will Never Let You Down

There's a million ways to go Don't be embarrassed if you lose control On the rooftop, now they know Your body's frozen and you've lost your soul

Cuz I've been sick and working all week And I've been doing just fine You've been tired of watching me Forgot to have a good time boy You can't take it, all these faces Never keeping it real I know exactly how you feel

When you say you've had enough

And you might just give it up Oh Ooh, I Will Never Let You Down When you're feeling low on love I'll be what you're dreaming of Oh Ooh, I Will Never Let You Down Oh Ooh, I Will Never Let You Down Oh Ooh, I Will Never Let You Down

Let me take you where you never go Have a little fun, it's the only way we know Let me show you what you never see You know how to love, only when you're holding me

When you say you've had enough And you might just give it up Oh Ooh, I Will Never Let You Down When you're feeling low on love I'll be what you're dreaming of Oh Ooh, I Will Never Let You Down When you say you've had enough And you might just give it up Oh Ooh, I Will Never Let You Down When you're feeling low on love I'll be what you're dreaming of I Will Never Let You Down
