She Wolf - Shakira

SOS she's in disguise SOS she's in disguise There's a she wolf in disguise Coming out, coming out

A domesticated girl that's all you ask of me Darling it is no joke, this is lycanthropy The moon's awake now with eyes wide open My body's craving, so feed the hungry

I've been devoting myself to you Monday to Monday and Friday to friday
Not getting enough retribution or decent incentives to
Keep me at it
I'm starting to feel just a little abused like a coffee
Machine in an office
So I'm gonna go somewhere cozy to get me a lover
And tell you all about it

There's a she wolf in the closet Open up and set her free There's a she wolf in the closet Let it out so it can breathe

Sitting across a bar, staring right at her prey It's going well so far, she's gonna get her way Nocturnal creatures are not so prudent The moon's my teacher, and I'm her student

To locate the single men, I got on me a special radar
And the fire department hotline in case I get in trouble
Later
Not looking for cute little divos or rich city guys that
Just want to enjoy
But having a very good time and behave very bad in the
Arms of a boy

There's a she wolf in the closet Open up and set her free There's a she wolf in your closet Let it out so it can breathe

SOS she's in disguise SOS she's in disguise There's a she wolf in disguise Coming out, coming out x2

There's a she wolf in your closet Let it out so it can breathe
