

# Elastic Heart – Sia

And another one bites the dust  
But why can I not conquer love?  
And I might've thought that we were one  
Wanted to fight this war without weapons  
And I want it and I wanted it bad  
But there were so many red flags  
Now another one bites the dust  
Yeah let's be clear, I trust no one  
You did not break me  
I'm still fighting for peace  
Well I've got thick skin and an elastic heart  
But your blade it might be too sharp  
I'm like a rubber band until you pull too hard  
Yeah I may snap and I move fast  
You won't see me fall apart  
'Cause I've got an elastic heart  
I've got an elastic heart  
Yeah, I've got an elastic heart  
And I will stay up through the night  
Yeah let's be clear, I won't close my eyes  
And I know that I can survive  
I walked through fire to save my life  
And I want it, I want my life so bad  
And I'm doing everything I can  
Then another one bites the dust  
It's hard to lose a chosen one  
You did not break me  
I'm still fighting for peace  
Oh, I've got thick skin and an elastic heart  
But your blade it might be too sharp  
I'm like a rubber band until you pull too hard  
Yeah I may snap and I move fast  
You won't see me fall apart  
'Cause I've got an elastic heart  
Oh, and I've got thick skin and an elastic heart  
But your blade it might be too sharp

I'm like a rubber band until you pull too hard  
Yeah I may snap and I move fast  
You won't see me fall apart  
No, 'cause I've got an elastic heart  
And I've got thick skin and an elastic heart  
But your blade it might be too sharp  
I'm like a rubber band until you pull too hard  
Yeah I may snap and I move fast  
You won't see me fall apart  
'Cause I've got an elastic heart  
I've got an elastic heart
