## Through the Barricades - Spandau Ballet

Mother doesn't know where love has gone She says it must be youth That keeps us feeling strong I see it in her face, that's turned to ice And when she smiles she shows the lines Of sacrifice And now I know what they're saying 'Cause our sun begins to fade And we made our love on wasteland And through the barricades Father made my history He fought for what he thought Would set us somehow free He taught me what to say in school I learned it off by heart But now that's torn in two And now I know what they're saying In the music of the parade We made our love on wasteland And through the barricades Born on different sides of life We feel the same and feel all of this strife So come to me when I'm asleep We'll cross the line And dance upon the street And now I know what they're saying There's the drums begin to fade We made our love on wasteland And through the barricades Oh, turn around and I'll be there Oh, there's a scar through my heart but I'll bare it again Oh, I thought we were the human race But we were just another borderline case And the stars reach down and tell us

There's always one escape

And in this trouble land
Desperation keeps us strong
Friday's child is full of soul
With nothing left to lose, there's everything
to go
And now I know what they're are saying
It's a terrible beauty we've made
So we make our love on wasteland
And through the barricades
Now I know what they're are saying
As hearts go to their graves
We made our love on wasteland
Oh, and through the barricades

Oh, I don't know where love has gone
