In the army now – Status quo

A vacation in a foreign land Uncle Sam does the best he can You're in the army now Oh oh you're in the army now

Now you remember what the draft man said Nothing to do all day but stay in bed You're in the army now Oh oh you're in the army now

You'll be the hero of the neighbourhood Nobody knows that you left for good You're in the army now Oh oh you're in the army now

Smiling faces as you wait to land But once you get there no one gives a damn You're in the army now Oh oh you're in the army now

Hand grenades flying over your head, The missiles flying over your head If you wanna survive get out of bed You're in the army now Oh oh you're in the army now

Shots ring out in the dead of night
The sergeant calls: "Stand up and fight!"
You're in the army now
Oh oh you're in the army now
You're in the army now
Oh oh you're in the army now

You've got your orders better shoot on sight Your finger is on the trigger but it don't seem right You're in the army now, oh oh you're in the army now You're in the army now, oh oh you're in the army now

Night is falling and you just can't see Is this illusion or reality You're in the army now, oh, oh you're in the army, In the army now You're in the army now, oh, oh you're in the army now You're in the army now, oh, oh you're in the army, In the army now You're in the army now, oh, oh you're in the army now Oh, oh you're in the army, In the army now Oh, oh you're in the army, In the army now Oh, oh you're in the army, In the army now Oh, oh you're in the army, In the army now
