If I ever loose my faith in you - Sting

You could say I Lost my faith in science and progress You could say I Lost my belief in the holy Church You could say I lost my sense of direction You could say all of this and worse, but If I ever lose my faith in you There'd be nothing left for me to do Some would say I was a Lost man in a lost world You could say I lost my faith In the people on TV You could say I'd lost my belief In our politicians They all seemed like game show hosts to me If I ever lose my faith in you There'd be nothing left for me to do I could be lost inside their lies Without a trace But every time I close my eyes I see your face I never saw no miracle of science That didn't go from a blessing to a curse I never saw no military solution That didn't always end up as Something worse, but Let me say this first If I ever lose my faith in you
