## **Untouched – The Veronicas**

I go ooh ooh, you go ah ah Lalalalalalala Lalalalalalala I wanna wanna wanna get get get what I want Don't stop Give me give me give me what you got got Cause I can't wait wait any more more more more Don't even talk about the consequence Cause right now you're the only thing That's making any sense to me And I don't give a damn what they say, What they think think Cause you're the only one who's on my mind I'll never ever let you leave me I'll try to stop time for ever, Never wanna hear you say goodbye (bye bye) I feel so untouched And I want you so much That I just can't resist you It's not enough to say that I miss you I feel so untouched right now Need you so much somehow I can't forget you I've gone crazy from the moment I met you Untouched And I need you so much See you, breathe you, I want to be you Alalalala alalalala You can take take take take take time time To live live the way you gotta gotta live your life Give me give me give me all of you you Don't be scared I'll see you through the loneliness of one more more more Don't even think about what's right or wrong, Wrong or right 'Cause in the end it's only you and me

And no one else is gonna be around To answer all the questions left behind And you and I are meant to be so even If the world falls down today You've still got me to hold you up up And I will never let you down (down) I feel so untouched And I want you so much That I just can't resist you It's not enough to say that I miss you I feel so untouched right now Need you so much somehow I can't forget you I've gone crazy from the moment I met you Untouched, untouched, untouched, untouched Alalalala alalalala Untouched Alalalala alalalala I feel so untouched And I want you so much That I just can't resist you It's not enough to say that I miss you I feel so untouched right now Need you so much somehow I can't forget you I've gone crazy from the moment I met you I feel so untouched And I want you so much That I just can't resist you It's not enough to say that I miss you I feel so untouched right now Need you so much somehow I can't forget you I've gone crazy from the moment I met you
