

Best Day of My Life (Locus Remix) – Tom Odell

I think today is the best day of my life
Gonna rent a bicycle and ride around the city
Around the city from nine 'til five
I think today is the best day of my life
Fuck thinking about the future all the time
If I'm alone, I'm alone, and I don't mind
Movie stars in black and white pictures
Warm beer and Valium mixtures (mm-mm)
Am I in a dream?
Crazy as it seems
I think today is the best day of my life
Saw a billboard, it said something like
Everything, everything is gonna be alright
I think today is the best day of my life
My girlfriend looked worried
And asked me why?
But I don't know,
I don't know, so I didn't reply
Laying on the car
You've got stars
I've got scars
They don't see
Think today is the best day of my life
Last night all I wanted to do was die
Right now I'm just happy to be alive
