

# Heal – Tom Odell

Take my mind  
And take my pain  
Like an empty bottle takes the rain  
And heal, heal, heal, heal  
And take my past  
And take my sins  
Like an empty sail takes the wind  
And heal, heal, heal, heal  
And tell me some things last  
And tell me some things last  
And take a heart  
And take a hand  
Like an ocean takes the dirty sand  
And heal, heal, hell, heal  
And take my mind  
And take my pain  
Like an empty bottle takes the rain  
And heal, heal, hell, heal  
And tell me some things last  
And tell me some things last  
And tell me some things last  
And tell me some things last
