What's a woman - Vaya con dios

What's a woman when a man Don't stand by her side? What's a woman when a man Has secrets to hide?

She'll be weak She'll be strong Struggle hard For so long

What's a woman when a man (What's a man without a woman?)
Don't go by the rule?
What's a woman when a man (What's a man without a woman?)
Makes her feel like a fool?

When right
Turns to wrong
She will try
To hold on to the ghosts of the past
When love was to last
Dreams from the past
Faded so fast

All alone
In the dark
She will swear
He'll never mislead her again

All those dreams from the past Faded so fast Ghosts of the past When love was to last

All alone

In the dark She will swear cross her heart Never again

Cross my heart Never again
