If I LET YOU GO – Westlife

Day after day, time pass away And I just can't get you off my mind Nobody knows, I hide it inside I keep on searching, but I can't find The courage to show, to letting you know I've never felt so much love before And once again, I'm thinking about Taking the easy way out

But if I let you go, I will never know What my life would be, holding you close to me Will I ever see, you smiling back at me Oh yeah How will I know If I let you go

Night after night, I hear myself say Why can't this feeling just fade away There's no-one like you, you speak to my heart It's such a shame, we're worlds apart I'm too shy to ask, I'm too proud to loose But sooner or later, I gotta choose And once again, I'm thinking about Taking the easy way out

But if I let you go, I will never know What my life would be, holding you close to me Will I ever see, you smiling back at me Oh yeah How will I know If I let you go

If I let you go Ohoh baby

Once again I'm thinking about

Taking the easy way out

But if I let you go, I will never know What my life would be, holding you close to me Will I ever see, you smiling back at me Oh yeah How will I know If I let you go

But if I let you go, I will never know What my life would be, holding you close to me Will I ever see, you smiling back at me Oh yeah How will I know If I let you go
