## I Have Nothing – Whitney Houston

Share my life Take me for what I am Cause I'll never change All my colors for you Take my love I'll never ask for too much Just all that you are And everything that you do

I don't really need to look Very much further I don't wanna have to go Where you don't follow I won't hold it back again This passion inside Can't run from myself There's nowhere to hide

Don't make me close one more door I don't wanna hurt anymore Stay in my arms if you dare Must I imagine you there? Don't walk away from me I Have Nothing Nothing Nothing, if i don't have you (you-oo, you-oo, you)

You see through Right to the heart of me You break down my walls With the strength of your love (mm..) uhh, I never knew Love like I known it with you Will our memories survive? uhh, One I can hold on to I don't really need to look Very much further I don't wanna have to go Where you don't follow I'm holdin' back again This passion inside Can't run from myself There's nowhere to hide You're the love I remember forever

Don't make me close one more door I don't wanna hurt anymore Stay in my arms if you dare Must I imagine you there? Don't walk away from me I Have Nothing Nothing

Don't make me close one more door I don't wanna hurt anymore Stay in my arms if you dare Must I imagine you there?

Don't walk away from me Don't walk away from me Don't you dare walk away from me I have nothing Nothing Nothing, if I don't have you You, if I don't have you
