

My love is your love – Whitney Houston

AH AH HA HA AH
OH OH OH NOW

If tomorrow is judgment day (Sing Mommy)
And I'm standing on the front line
And the Lord asks me what I did with my life
I will say I spent it with you
It's Alright

If I wake up in World War III
I see destruction and poverty
And I feel like I want to go home
It's okay if you're coming with me

OH DADDY
'Cause your love is my love
And my love is your love
It would take an eternity to break us
And the chains of Amistad couldn't hold us
'Cause your love is my love
And my love is your love
Yes It Is
Eternity to break us up now
Couldn't hold us

UH HUH
If I lose my fame and fortune
And I'm homeless on the street
And I'm sleeping in Grand Central Station
It's okay if you're sleeping with me

Alright

As the years they pass us by
We stay young through each other's eyes
And no matter how old we get

It's okay as long as I got you baby

'Cause your love is my love
And my love is your love Baby
Eternity to break us uh na na
Couln't hold us
Your love is my love
And my love is your love
It would take an eternity to break us
OH Now Babby
Couln't hold us

If I should die this very day
Don't cry, 'cause on Earth we weren't meant to stay no
And no matter what the people say
I'll be waiting for you after the judgment day

Ooh hoo
'Cause your love is my love
And my love is your love
It would take an eternity to break us up now babby
Couln't hold us
Your love is my love
And my love is your love
Yes it is
Take an eternity to break us up now
Couln't hold us

Your love is my love
My love your love
To break us babby
Couln't hold us
