

Ice Queen – Within Temptation

Ooh, ooh, ooh, ooh
Ooh, ooh, ooh, ooh
When leaves have fallen and skies turned to grey
The night keeps on closing in on the day
A nightingale sings his song of farewell
You better hide for her freezing hell
On cold wings she's coming
You better keep moving
For warmth, you'll be longing, nightingale
Come on just feel it
Don't you see it?
You better believe
When she embraces your heart turns to stone
She comes at night when you are all alone
And when she whispers your blood shall run cold
You better hide before she finds you
Whenever she is raging
She takes all life away
Haven't you seen? Haven't you seen?
The ruins of our world
Whenever she is raging
She takes all life away
Haven't you seen? Haven't you seen?
The ruins of our world
Ooh, ooh, ooh, ooh
She covers the earth with a breathtaking cloak
The sun awakes and melts it away
The world now opens its eyes and sees
The dawning of the new day
On cold wings she's coming
You better keep moving
For warmth, you'll be longing, nightingale
Come on just feel it
Don't you see it?
You better believe
Whenever she is raging

She takes all life away
Haven't you seen? Haven't you seen?
The ruins of our world
Whenever she is raging
She takes all life away
Haven't you seen? Haven't you seen?
The ruins of our world
