

Never Forget You feat. MNEK – Zara Larsson

I used to be so happy but without here I feel so low
I watched you as you left but I can never seem to let you go
'Cause once upon a time you were my everything
It's clear to see that time hasn't changed a thing
It's very deep inside me but I feel there's something you should know

Hmm

I'll never forget you
You'll always be by my side
From the day that I met you
I knew that I would love you till the day I die
And I will never want much more
And in my heart I will always be sure
I will never forget you
And you'll always be by my side till the day I die

Till the day I die

Funny how we both end happy but everything seems alright
Ooh I wonder what will happen
If we went back and put up a fight, yeah
'Cause once upon a time you were my everything
It's clear to see that time hasn't changed a thing
So, forget this what do you think could ever take you off my mind

I'll never forget you
And you'll always be by my side
From the day that I met you
I knew that I would love you till the day I die
And I will never want much more
And in my heart I will always be sure
I will never forget you
And you'll always be by my side
Till the day I die

Doing it, loving it
Everything that we do
And all along, I knew I had something special with you
But sometimes you just gotta know that these things fall through
But I'm still tired and I can't hide my connection with you

Feeling it, loving it
Everything that we do
And all along, I knew I had something special with you
But sometimes you just gotta know that these things fall through
I can't hide my connection with you

I'll never forget you
And you'll always be by my side
From the day that I met you
I knew that I would love you till the day I die
And I will never want much more
And in my heart I will always be sure
That I will never forget you
And you'll always be by my side till the day I die

Till the day I die, till the day I die, till the day I die
Till the day I die, till the day I die, till the day I die

I'll never forget you
I'll never forget you

Till the day I die
