

I hate to lose you – 1924 Project

I hate to lose you
I'm so used to you now
Still, I excuse you
For breaking your vow
Just like the sunlight, I've found
I'm used to havin' you 'round
You're all I've ever been thinkin' of
Who am I gonna love?
Now that you've turned me down?
Just like the rose, dear
That's used to the sun
Its petals close, dear
When Summer is done
And I'm so used to your kisses
All the others seem strange
Used to your lovin' and I don't wanna change
I hate to lose you
I'm so used to you now
I hate to lose you
I'm so used to you now
Still, I excuse you
For breaking your vow
Just like the sunlight, I've found
I'm used to havin' you 'round
You're all I've ever been thinkin' of
Who am I gonna love?
Now that you've turned me down?
Just like the rose, dear
That's used to the sun
Its petals close, dear
When the Summer is done
When the Summer is done
And I'm so used to your kisses
All the others seem strange
Used to your lovin'
And I don't want to change

I hate to lose you
I'm so used to you now
Just like the rose, dear
That's used to the sun
Its petals close, dear
When Summer is done
And I'm so used to your kisses
All the others seem strange
Used to your lovin' and I don't wanna change
I hate to lose you
I'm so used to you now
Just like the rose, dear
That's used to the sun
Its petals close, dear
When Summer is done
And I'm so used to your kisses
All the others seem strange
Used to your lovin' and I don't wanna change
I hate to lose you
I'm so used to you now
Just like the rose, dear
That's used to the sun
Its petals close, dear
When the Summer is done
When the Summer is done
And I'm so used to your kisses
All the others seem strange
Used to your lovin'
And I don't want to change
I hate to lose you
I'm so used to you now
