Changes - 2pac

Come on come on I see no changes Wake up in the morning and I ask myself, "Is life worth living? Should I blast myself?" I'm tired of bein' poor and even worse I'm black My stomach hurts, so I'm lookin' for a purse to snatch Cops give a damn about a negro? Pull the trigger, Kill a nigga, he's a hero Give the crack to the kids who the hell cares? One less hungry mouth on the welfare First ship 'em dope and let 'em deal to brothers Give 'em guns, step back, and watch 'em kill each other "It's time to fight back", that's what Huey said 2 shots in the dark now Huey's dead I got love for my brother, but we can never go nowhere Unless we share with each other We gotta start makin' changes

Learn to see me as a brother 'stead of 2 distant strangers And that's how it's supposed to be How can the Devil take a brother if he's close to me? I'd love to go back to when we played as kids But things changed, and that's the way it is

Come on come on That's just the way it is Things'll never be the same That's just the way it is Aww yeah

I see no changes All I see is racist faces
Misplaced hate makes disgrace to races we under
I wonder what it takes to make this one better place
Let's erase the wasted
Take the evil out the people, they'll be acting right
'Cause both black and white are smokin' crack tonight
And only time we chill is when we kill each other
It takes skill to be real, time to heal each other

And although it seems heaven sent,
We ain't ready to see a black President, uhh
It ain't a secret don't conceal the fact
The penitentiary's packed, and it's filled with blacks
But some things will never change
Try to show another way, but they stayin' in the dope game
Now tell me what's a mother to do?
Bein' real don't appeal to the brother in you
You gotta operate the easy way
"I made a G today" But you made it in a sleazy way
Sellin' crack to the kids "I gotta get paid,"
Well hey, well that's the way it is

We gotta make a change
It's time for us as a people to start makin' some changes
Let's change the way we eat, let's change the way we live
And let's change the way we treat each other
You see the old way wasn't working so it's on us to do
What we gotta do, to survive

And still I see no changes Can't a brother get a little peace?

There's war on the streets and the war in the Middle East Instead of war on poverty,

They got a war on drugs so the police can bother me And I ain't never did a crime I ain't have to do But now I'm back with the facts givin' 'em back to you Don't let 'em jack you up, back you up, crack you up and Pimp smack you up

You gotta learn to hold ya own

They get jealous when they see ya with ya mobile phone But tell the cops they can't touch this

I don't trust this, when they try to rush I bust this

That's the sound of my tool You say it ain't cool,

But mama didn't raise no fool

And as long as I stay black, I gotta stay strapped

And I never get to lay back

'Cause I always got to worry 'bout the payback

Some buck that I roughed up way back comin'

back after all these years

Rat-a-tat-tat-tat That's the way it is uhh

Some things will never change
