

Here Without You – 3 Doors Down

A hundred days have made me older
Since the last time that I saw
your pretty face
A thousand lies have made me colder
And I don't think
I can look at this the same
But all the miles that separate
Disappear now when when dreaming
of your face
I'm here without you, baby
But you're still on my lonely mind
I think about you baby
And I dream about you all the time
I'm here without you, baby
But you're still with me in my dreams
And tonight
It's only you and me, yeah
The miles just keep rolling
As the people leave their way
to say hello
I've heard this life is overrated
But I hope that it gets better as we go
Ooh yeah, yeah
I'm here without you, baby
But you're still on my lonely mind
I think about you, baby
And I dream about you all the time
I'm here without you, baby
But you're still with me in my dreams
And tonight, girl, it's only you and me
Everything I know
And anywhere I go
It gets hard, but it won't take
away my love
And when the last one falls
When it's all said and done

It gets hard, but it won't take
away my love
Whoh ooh ooh
I'm here without you, baby
But you're still on my lonely mind
I think about you, baby
And I dream about you all the time
I'm here without you, baby
But your still with me in my dreams
And tonight girl
It's only you and me, yeah
Oh, yeah
Ooh oh
