

# Beside you – 5 Seconds of Summer

Within a minute I was all packed up  
I've got a ticket to another world  
I don't wanna go, I don't wanna go  
Silent words are hard to speak  
When your thoughts are all I see  
"Don't ever leave", she said to me

When we both fall asleep  
Underneath the same sky  
To the beat of our hearts  
At the same time  
So close but so far away  
Can you hear me?

She sleeps alone  
My heart wants to come home  
I wish I was, I wish I was  
Beside you  
She lies awake  
I'm trying to find the words to say  
I wish I was, I wish I was  
Beside you

Another day and I'm somewhere new  
I made a promise that I'd come home soon  
Bring me back, bring me back to you

When we both wake up  
Underneath the same sun, time stops  
I wish that I could rewind  
So close but so far away

She sleeps alone  
My heart wants to come home  
I wish I was, I wish I was  
Beside you

She lies awake  
I'm trying to find the words to say  
I wish I was, I wish I was  
Beside you

There are pieces of us both  
Under every city light  
And they're shining as we  
Fade into the night

She sleeps alone  
My heart wants to come home  
I wish I was, I wish I was

She sleeps alone  
My heart wants to come home  
I wish I was, I wish I was  
Beside you  
She lies awake  
I'm trying to find the words to say  
I wish I was, I wish I was  
Beside you

She lies awake  
Beside you  
I wish I was, I wish I was

She sleeps alone  
My heart wants to come home  
I wish I was, I wish I was
