

Jet Black Heart – 5 Seconds of Summer

Everybody's got their demons
Even wide awake or dreaming
I'm the one who ends up leaving
Make it okay
See a war I wanna fight it
See a match I wanna strike it
Every fire I've ignited
Faded to grey

But now that I'm broken
Now that you know it
Caught up in a moment
Can you see inside?
'Cause I've got a jet black heart

And there's a hurricane underneath it
Trying to keep us apart
I write with a poison pen
But these chemicals moving between us
Are the reason to start again

Now I'm holding on for dear life
There's no way that we could rewind
Maybe there's nothing after midnight

That could make you stay

But now that I'm broken (M: Now that I'm broken)
Now that you know it (M: Now that you know it)
Caught up in a moment

Can you see inside?
'Cause I've got jet black heart
And there's a hurricane underneath it
Trying to keep us apart
I write with a poison pen

But these chemicals moving between us
Are the reason to start again

The blood in my veins
Is made up of mistakes
Let's forget who we are
And dive into the dark
As we burst into colors
Returning to life

'Cause I've got a jet black heart

And there's a hurricane underneath it
Trying to keep us apart
I write with a poison pen
But these chemicals moving between us
Are the reason to start again
to start again
