

# Nine Milion Bicycles – Katie Melua

There are nine million bicycles in Beijing  
That's a fact  
It's a thing we can't deny  
Like the fact that I will love you till I die

We are twelve billion light years from the edge  
That's a guess  
No-one can ever say it's true  
But I know that I will always be with you

I'm warmed by the fire of your love everyday  
So don't call me a liar  
Just believe everything that I say

There are six billion people in the world  
More or less  
And it makes me feel quite small  
But you're the one I love the most of all

We're high on the wire  
With the world in our sight  
And I'll never tire  
Of the love that you give me every night

There are nine million bicycles in Beijing  
That's a Fact  
It's a thing we can't deny  
Like the fact that I will love you till I die

And there are nine million bicycles in Beijing  
And you know that I will love you till I die!
