## Say Something – A Great Big World and Christina Aguilera

Say something, I'm giving up on you I'll be the one, if you want me to Anywhere, I would've followed you Say something, I'm giving up on you And I am feeling so small It was over my head I know nothing at all And I will stumble and fall I'm still learning to love Just starting to crawl Say something, I'm giving up on you I'm sorry that I couldn't get to you Anywhere, I would've followed you Say something, I'm giving up on you And I will swallow my pride You're the one that I love And I'm saying goodbye Say something, I'm giving up on you And I'm sorry that I couldn't get to you And anywhere I would have followed you Oh-oh-oh-ooh Say something, I'm giving up on you Say something, I'm giving up on you Say something
