

# I've Been Losing You – A-Ha

It wasn't the rain that washed away  
Rinsed out the colours of your eyes  
Putting the gun down on the bedside table  
I must have realized  
It wasn't the rain  
That made no difference  
And I could have sworn it wasn't me  
Yet I did it all so coldly  
Almost slowly  
Plain for all to see  
Oh c'mon please now  
Talk to me  
Tell me things I could find helpful  
How can I stop now  
Is there nothing I can do  
I have lost my way  
I've been losing you  
I can still hear our screams competing  
You're hissing your s's like a snake  
Now in the mirror stands  
Half a man  
I thought no one could break  
It wasn't the rain  
That made no difference  
Nervously drumming on: Run away  
But I want the guilt to get me  
Thoughts to wreck me  
Preying on my mind  
So, please now  
Talk to me  
Tell me things I could find helpful  
For how can I stop now  
Is there nothing I can do  
I have lost my way  
I've been losing you  
So, please now

Talk to me  
Tell me things I could find helpful  
For how can I stop now  
Is there nothing I can do  
I have lost my way  
I've been losing you
