

# The Living Daylights – A-Ha

Hey driver, where we going?  
I swear my nerves are showing  
Set your hopes up way too high  
The living's in the way we die  
Comes the morning and the headlights  
Fade away  
Hundred thousand people, I'm the one  
They blame  
I've been waiting long for one of us to say  
"Save the darkness, let it never fade away"  
Oh, the living daylights  
Oh, the living daylights  
All right, hold on tight now  
It's down, down to the wire  
Set your hopes up way too high  
The living's in the way we die  
Comes the morning and the headlights  
Fade away  
Hundred thousand changes, everything's  
The same  
I've been waiting long for one of us to say  
"Save the darkness, let it never fade away"  
Oh, the living daylights  
Oh, the living daylights  
Oh, the living daylights  
Get away  
Comes the morning and the headlights  
Fade away  
Hundred thousand people, I'm the one  
They frame  
Oh, the living daylights  
Oh, the living daylights  
Oh, the living daylights  
You may run  
Set your hopes up way too high  
The living's in the way we die

Set your hopes up way too high  
The living's in the way we die  
Set your hopes up way too high
