

I've been waiting for you – ABBA

I, I have known love before
I thought it would no more
Take on a new direction
Still, strange as it seems to be
It's truly new to me
That affection
I, I don't know what you do
You make me think that you
Will change my life forever
I, I'll always want you near
Give up on you, my dear
I will never
You thrill me, you delight me
You please me, you excite me
You're all that I've been yearning for
I love you, I adore you
I lay my life before you
I only want you more and more
And finally it seems
My lonely days are through
I've been waiting for you
I'll carry you all the way
And you will choose the day
When you're prepared to greet me
I'll be a good mum, I swear
You'll see how much I care
When you meet me
You thrill me, you delight me
You please me, you excite me
You're all that I'd been yearning for
I love you, I adore you
I lay my life before you
I only want you more and more
And finally it seems
My lonely days are through
I've been waiting for you

Ohhhh
I've been waiting
For you
