Knowing me, knowing you – ABBA

No more carefree laughter Silence ever after Walking through an empty house, tears in my eyes Here is where the story ends, this is goodbye

Knowing me, knowing you There is nothing we can do Knowing me, knowing you We just have to face it, this time we're through

Breaking up is never easy, I know but I have to go Knowing me, knowing you It's the best I can do

Mem'ries, good days, bad days They'll be, with me, always In these old familiar rooms children would play Now there's only emptiness, nothing to say

Knowing me, knowing you There is nothing we can do Knowing me, knowing you We just have to face it, this time we're through

Breaking up is never easy, I know but I have to go Knowing me, knowing you It's the best I can do

Knowing me, knowing you There is nothing we can do Knowing me, knowing you We just have to face it, this time we're through

Reaking up is never easy, I know but I have to go Knowing me, knowing you It's the best I can do
