

SUPERSCAR – ADÉLA

Tap tap your stiletto
Pretty girl go on and cause a scene
Prove how bad you need it
Put on a show for me
Dancing for the devil
Bring your body and your energy
Kid you got it
Go on flaunt it
Sell your sex and soul to me
Ooh, maybe I should count
myself so lucky, so lucky
Ooh, all these dirty hands
They wanna touch me
So touch me
Tie me up
Pull my strings and make me sing like
Oh, oh, ooh-oh
Oh, oh, ooh-oh-oh
Bite my tongue
What you need come take from me like
Oh, oh, ooh-oh
Oh, oh, ooh-oh-oh
Tell me just how far
Push right past the bar
Cut right 'round my heart
Superscar
On my body
Make me sing like
Oh, oh, ooh-oh
Oh, oh, ooh-oh-oh
Knock knock on the door
I bring you body and my energy
Calculate my attitude
And my identity
Lucky, lucky you
You found your monetary fantasy

Stop
Pose
Drop
I'll make your wallet sing
Ooh, maybe I should count myself
so lucky, so lucky
Ooh, and all these dirty hands
they wanna touch me
So touch me, no
Tie me up
Pull my strings and make me sing like
Oh, oh, ooh-oh
Oh, oh, ooh-oh-oh
Bite my tongue
What you need come take from me like
Oh, oh, ooh-oh
Oh, oh, ooh-oh-oh
Tell me just how far
Push right past the bar
Cut right 'round my heart
Superscar
On my body
Make me sing like
Oh, oh, ooh-oh
Oh, oh, ooh-oh-oh
Shut my lips to speak
Stick to your strategy
I know you like them weak
Sold you a piece of me
Shut my lips to speak
Stick to your strategy
I know you like them
Like them
Like them
Like them
Like them
Weak
Tie me up
Pull my strings and make me sing like
Oh, oh, ooh-oh

Oh, oh, ooh-oh-oh
Bite my tongue
What you need come take from me like
Oh, oh, ooh-oh
Oh, oh, ooh-oh-oh
Tell me just how far
Push right past the bar
Cut right 'round my heart
Superscar
On my body
Make me sing like
Oh, oh, ooh-oh
Oh, oh, ooh-oh-oh
