

# Believe (Cher Cover) – Adam Lambert

No matter how hard I try  
You keep pushin' me aside  
And I can't break through  
There's no talkin' to you  
It's so sad that you're leaving  
It takes time to believe it  
But after all is said and done  
You're gonna be the lonely one, oh  
Do you believe in life after love?  
I can feel something inside me say  
I really don't think you're strong enough, no  
Do you believe in life after love?  
I can feel something inside me say  
I really don't think you're strong enough, no  
What am I supposed to do?  
Sit around and wait for you?  
Well, I can't do that  
There's no turning back  
It takes time to move on  
It takes love to feel strong  
And I've had time to think it through  
And, baby, I'm too good for you, oh  
Do you believe in life after love?  
I can feel something inside me say  
I really don't think you're strong enough, no  
Do you believe in life after love?  
I can feel something inside me say  
I really don't think you're strong enough, no  
And I know that I'll get through this  
'Cause I know that I am strong  
I don't need you anymore  
I don't need you anymore  
I don't need you anymore  
I don't need you anymore  
Do you believe in life after love?  
I can feel something inside me say

I really don't think you're strong enough  
Do you believe in life after love?  
I can feel something inside me say  
I really don't think you're strong enough  
Do you believe in life after love?  
Ooh
