

# Don't you remember – Adele

When will I see you again?  
You left with no goodbye, not a single word was said  
No final kiss to seal any sins  
I had no idea of the state we were in  
I know I have a fickle heart and a bitterness  
And a wandering eye, and a heaviness in my head  
But don't you remember, don't you remember?  
The reason you loved me before,  
Baby please remember me once more  
When was the last time you thought of me?  
Or have you completely erased me from your memories?  
Cause I often think about where I went wrong  
The more I do, the less I know  
But I know I have a fickle heart and bitterness  
And a wandering eye, and a heaviness in my head  
But don't you remember, don't you remember?  
The reason you left me before,  
Baby please remember me once more Ohhhh  
I gave you the space so you could breathe,  
I kept my distance so you would be free,  
And hope that you find the missing piece  
To bring you back to me  
Why don't you remember, don't you remember?  
The reason you loved me before,  
Baby please remember you used to love me  
When will I see you again?
