

# Hello – Adele

Hello, it's me

I was wondering if after all these years you'd like to meet

To go over everything

They say that time's supposed to heal ya, but I ain't done much healing

Hello, can you hear me?

I'm in California dreaming about who we used to be

When we were younger and free

I've forgotten how it felt before the world fell at our feet

There's such a difference

Between us and a million miles

Hello from the other side

I must've called a thousand times

To tell you I'm sorry for everything that I've done

But when I call you never seem to be home

Hello from the outside

At least I can say that I've tried

To tell you I'm sorry for breaking your heart

But it don't matter, it clearly doesn't tear you apart

Anymore

Hello, how are you?

It's so typical of me to talk about myself, I'm sorry

I hope that you're well

Did you ever make it out of that town where nothing ever happened?

It's no secret that the both of us

Are running out of time

So hello from the other side

I must've called a thousand times

To tell you I'm sorry for everything that I've done

But when I call you never seem to be home

Hello from the outside  
At least I can say that I've tried  
To tell you I'm sorry for breaking your heart  
But it don't matter, it clearly doesn't tear you apart anymore  
Oooooohh, anymore  
Oooooohh, anymore  
Oooooohh, anymore  
Anymore

Hello from the other side  
I must've called a thousand times  
To tell you I'm sorry for everything that I've done  
But when I call you never seem to be home

Hello from the outside  
At least I can say that I've tried  
To tell you I'm sorry for breaking your heart  
But it don't matter, it clearly doesn't tear you apart anymore
